

2022 NEWCASTLE MAITLAND REGION GRAND FINAL DAY

SATURDAY 3 SEPT

CODE OF CONDUCT

- » Condemn all violent or illegal acts, whether they are by players, coaches, officials, parents or spectators.
- » Respect the Referee's decisions – don't complain or argue about decisions during or after a game.
- » Behave! Unsportsmanlike language, harassment or aggressive behaviour will not be tolerated.
- » Encourage players to play by the rules and to respect opposition players and officials.
- » Never ridicule or scorn a player for making a mistake – respect their efforts.
- » Understand that sport is part of a total life experience, and the benefits of involvement go far beyond the final score of a game.
- » Participate in positive cheering that encourages the players in the team you are supporting; do not engage in any cheering that taunts or intimidates opponents, their fans or officials.
- » Remember that all participants are involved in the game of Rugby League for their own enjoyment, not yours!
- » At all times, follow the directions of the Ground Manager and/or other duty officials.
- » Never arrive at a Junior League game under the influence of alcohol, never bring alcohol to a Junior League game and only drink alcohol, if it is available, in a responsible manner in the designated licensed area.

Children learn from positive experiences and positive examples of best practice

Extra Time Rules

When the scores are equal after the completion of any play-off, semi-final, final or grand final the referee will call the two captains together and advise that the game will go into extra time of two 10 minute periods for international games, or two 5 minute periods for Junior Rugby League games (Under 9 to Under 12). A coin toss will give one of the team captains the option of either kicking off in extra-time or receiving the ball from the kick-off. The game will re-commence and continue until one of the teams scores:

- » In Junior Rugby League (Under 9s to Under 12s), a try or
- » In International Football (Under 13s to Open Age), either a field goal, penalty goal or a try.

The referee will then immediately terminate the game with the team scoring first declared the winner. If neither team has scored at the conclusion of the first period of extra-time, the teams will change ends and the game will recommence with a kick-off from half-way.

In Grand Finals, in the event that neither team has scored following two periods of 10 minutes in international games or two 5-minute periods in mini/mod games of extra time, the game will be declared a draw with both teams joint premiers.

MESSAGE FROM THE BOARD

Dear All

In our first year as an amalgamated association, we have undertaken to implement several initiatives, their success largely dependent on everyone working together across the association such as the TackleReady program, Development Competitions for U/10 & U/11, and graded competitions for U/12's. This first season has offered up several learnings and opportunities for us to address next season however, there has been no greater example of all interested parties and stakeholders within our association working together for the overall benefit of the competition than the effort that has gone into ensuring the young men and women across our competition having the opportunity to play junior rugby league this season.

Of the 3,175 competition games scheduled for the 2022 season, 3,005 were played with 84 games forfeited and 86 games washed out.

In the U/6 to U/11 age groups, 13 of the 14 scheduled rounds were played with 12 of the scheduled 14 rounds played in the U/12 to U/17 age groups, meaning 95% of our total scheduled games were played this season.

This could not have happened if it were not for the efforts of a large group of people including but not limited to:

Club executive committees, individual team support staff, ground managers, FAO's, ground volunteers, parents and family members, referees, NSWRL Newcastle administration and many others working together for the one common goal.

There are examples of clubs scheduling many more games to be played at their grounds during the year so our young players could get to play Rugby League.

Through media we have all witnessed the impact this unprecedented weather event has had on so many communities across Australia this year and in our very own region we experienced firsthand the impacts only recently, with local communities and government agencies rallying to support each other.

As the grand finals approach this weekend the board would like to wish all teams good luck and again thank all involved in getting us to this point in the season. During the off season, the work begins in planning our next season building on from our inaugural season as a combined association which is currently the second largest in NSW.

Hunter Junior Rugby League Board
