Message from NSWRL Northern Corridor Zone Manager

Dear All,

Welcome to the 2023 Newcastle Maitland Region Grand Final day.

Across the Newcastle Maitland Region, season 2023 has been one of tremendous growth for our game. Coming off the back of Covid and weather interrupted seasons, this year we saw our region almost reach the 10,000-participant mark. The Hunter Juniors surpassed 7,000 players for the first time, with growth in both female and male numbers. The Newcastle and Hunter almost surpassed 2,000 players as well with growth nearing 20% on last season, consolidating its position as the largest senior competition in New South Wales. Whilst the Denton Cup competition under the Newcastle Rugby League continues to be one of the best club competition teams in the state.

None of these achievements could happen if it were not for the efforts of a large group of people including but not limited to:

Club executive committees, individual team support staff, ground managers, FAO's, ground volunteers, parents and family members, referees, the association boards and many others working together for the one common goal.

With the culmination of season 2023 upon us, on behalf of the NSWRL Newcastle Maitland Region team I would like to wish all teams participating this weekend the best of luck and again thank all involved in getting us to this point in the season. We hope you have an enjoyable and safe off-season, and look forward to welcoming you all back for season 2024!

Grant Kelly

NSWRL Northern Corridor Zone Manager

Extra Time Rules

When the scores are equal after the completion of any play-off, semi-final, final or grand final the referee will call the two captains together and advise that the game will go into extra time of two 10 minute periods for international games. A coin toss will give one of the team captains the option of either kicking off in extra-time or receiving the ball from the kick-off. The game will re-commence and continue until one of the teams scores:

» In International Football (Under 13s to Open Age), either a field goal, penalty goal or a try.

The referee will then immediately terminate the game with the team scoring first declared the winner. If neither team has scored at the conclusion of the first period of extra-time, the teams will change ends and the game will recommence with a kick-off from half-way.

In Grand Finals, in the event that neither team has scored following two periods of 10 minutes in international games the game will be declared a draw with both teams joint premiers.
